Australia's Trusted Anti-Rash Shaving Solution recommended by dermatologists - because it works!

You would have seen **TriShave** samples included in acne support mix product packs for dermatologists for over 12 years.

We are now excited to offer **Free Samples** of each of the TriShave products delivered direct to your surgery.

Sample sachets come in a pack of 20 and you can order multiple packs to suit your requirements.

I've had severe cystic acne and terrible shaving rash since I was about 13. I have tried everything. I saw my dermatologist about two months ago and they told me to give TriShave a shot. It actually worked!!!
Adam B.

The TriShave 3in1 Anti-Rash Shave Cremes for Men and Women have proven success in helping patients who are on acne treatments and anyone needing help with skin irritation caused by shaving.

The TriShave 3in1 Post Shave SPF30+ Moisturising Lotion for Men and Women is suitable for any skin type and a problem solver for patients sensitive to sunscreen ingredients. All are fragrance free and allergy tested.

I was first introduced to this by my dermatologist when I started my acne treatment. It left my legs nice and smooth. No redness or irritation at all after use. - Cheng X.
